

16 WEEKS IN THE WORD

6 days a week | 2 chapters a day

TIPS FOR READING WELL

1. Set aside a specific time & place to read each day. Be intentional in not scheduling anything on top of your time, set a reminder or an alarm.
2. Before you start reading, take a few minutes to quiet your mind. Pray for understanding of the Word and a desire to be not only a hearer but a doer of the Word.
3. As you read, have a pen or highlighter ready to go. Underline verses or phrases that stick out to you. Write one or two key verses in a journal or notebook.
4. Make a bullet-point list of some things that you notice in the text. Do you see repeated words or phrases? Do you see any statements that are confusing to you? Look for phrases that connect one idea to the next ("therefore," "so that," "in order that," "for," "because," etc). What seems to be the main theme?
5. Ask, "What is God saying to me through His Word? How can I obey or apply what I just read? Is there anything I need to change in my thinking or actions?"
6. Pray about what you read today. If he's revealed sin in your life, confess it. If he's revealed more of who he is, praise him for it. If he's put someone or something on your mind, bring that to him.
